HILL SINAI
FINISHING SCHOOL

Dr.ABDUL HAKKIM AZHARY

(MD-Markaz Knowledge City)

Markaz Knowledge City is travelling beyond the impossibilities of present and shaping a sustainable community that can even compete in future. We have already taken necessary steps to make use of the new technologies and skills to contribute in the development of human resources of our nation. I hope Hillsinai Finishing School can do a vital role in transmitting these possibilities to the students. Moreover, I firmly believe that the culture they had from City will be the need of the nation in future.

Mr. MUHAMMED BASHEER

(Principal- Hillsinai Finishing School)

Teaching is a pleasure-giving experience, moulding the future generation, instilling in them the right attitude towards life and enabling them to meet its hazards successfully. Every good teacher leaves an imprint on the minds of learners as a warm nostalgic solace. We believe in highlighting the self-esteem of students which results in self-motivation with innovate and novel ideas which are key to a bright future.

SAYYID ABDUSSALAM AI BUKHARI

(Chief Mentor, Hillsinai Finishing School)

At Hillsinai Finishing School, we believe in providing a holistic education that nurtures students' intellectual, emotional, and spiritual growth. Our dedicated team of teachers and mentors are committed to instilling in our students a love for learning, a sense of discipline, and a strong moral compass.

DBI Hybrid Learning System

Cherish Your Passions

Alpha generation demands softwork than hardwork. hybrid learning system can meet these challenges. hybrid learning system, Hillsinai students have the opportunity to engage in both offline and online learning activities. students typically attend traditional in-person classes for a portion of the semester, while also completing coursework and engaging in online learning activities outside of class time especially in hostel. This could include watching lectures, participating in online discussions, completing interactive assignments, and accessing digital resources and materials through tablets.

Academics

Our school follows a rigorous curriculum designed to prepare students for higher education and professional careers. We offer both science and commerce streams at the senior secondary level. Our faculty members are highly qualified and experienced, and they use modern teaching methods to make learning fun and engaging. Our academic programs include

- Regular guest lectures from experts in various fields
- Career counseling and guidance to help students choose their future paths
- In-house coaching for competitive exams like JEE and NEET
- Opportunities for programs and collaborations with other schools/Institutions

Spiritual Atmosphere

Hillsinai Finishing School believes in the importance of developing a strong moral character and a sense of spirituality in our students. We provide Markaz Knowledge City environment that fosters spiritual growth and personal development. Some of the activities we offer include:

- Scheduled Moral Classes
- Daily prayer and quran meditation sessions
- Prayer and mindfulness practices to promote mental well-being
- Islamic & Community service projects to inculcate a sense of social responsibility
- Celebrations of festivals and cultural events to promote diversity and inclusivity
- Workshops on moral values and ethics to help students become responsible citizens
